NYSLA – Default Reporting

- ❑ It is the responsibility of the Credit Department to comply with **New York State Liquor Authority (NYSLA)** regulations.
- ❑ Customers will be reported to the NYSLA under the following conditions:
 - Payment is not received from any Customer according to the NYSLA credit calendar schedule. The types of reports issued are:
 - ✓ Delinquent Report
 - ✓ Report in Dispute
 - Any check/electronic payment is returned unpaid by the licensee's bank by the final payment date according to the NYSLA credit calendar schedule.
 - ✓ Bounced check (with \$30 penalty fee)
- ❑ Published interest and service charges will continue to be assessed on all delinquent balances.

NYSLA – Default Reporting (Continued)

- ❑ **If payment for an invoice is not received by the due date:**
 - Customer will be reported to the NYSLA as “Delinquent” on a daily basis or as specified by the SLA.
 - Customer is put on COD credit status.
 - **Payments for COD invoices must be in the house within 48 hours from the date the goods are delivered.**
 - ✓ If payment of a COD invoice is not received **according to this timeline**, the account becomes CIH (Certified in House).
 - Checks should be picked up on the day of delivery or no later than the next business day.

- ❑ **If payment is received but a small balance remains unpaid:**
 - Customer may be reported as “In Dispute” daily to the NYSLA.
 - The Customer credit status will remain unchanged.
 - If the disputed amount is not resolved within 30 days, the Customer will then be placed on CHH until the matter is resolved.

SLA – Issuing Default Notices

Issuing Notices of Payment (on default balance) to NYSLA

- ❑ Payment is received for all outstanding merchandise defaults previously reported to the NYSLA.
- ❑ Electronic notification is sent to the NYSLA informing them of payment.
- ❑ The NYSLA releases the Customer from default status when all of their outstanding reports (with all wholesalers) have been satisfied.
- ❑ Customer may then be considered for a change to Open Terms status.
- ❑ If the Customer status is COD or CIH, no open CODs are outstanding, and not listed in default by the NYSLA, the Customer will be placed on Open Terms status via electronic “sweep” of the NYSLA list.
- ❑ Credit Department electronically sweeps the NYSLA list of delinquent retailers hourly.

SLA Default Email Notification Program

SLA Advisory allows Retailers to receive email Default Notifications

- ❑ The email notification service is completely voluntary.
 - ✓ Customers may opt out and continue to receive letters via US Mail.
- ❑ Customers signed up will receive two separate emails:
 - ✓ **1st Notice - Invoices due to be reported to the SLA in 5 days.**
 - ✓ **2nd Notice - Notice of Default on the same day the Customer is reported “Delinquent” with SLA on its website.**
 - ✓ Sales Representatives are only notified via email on the 2nd Notice for each of your Customers participating in the program.
- ❑ Customers who participate in the email notification service will not receive a duplicate notice via US Mail.

SLA Default Email Notification Program Benefits

- ❑ Customers will be notified of invoices coming due - **(1st Notice)**.
- ❑ Customers can then follow-up with Sales Representative or Customer Care department if there are issues or questions.
- ❑ Customers will be notified the day they are reported by Empire Merchants with default amount - **(2nd Notice)**.
- ❑ You, as a Sales Representative, will know when your Customer has been reported by Empire Merchants.
- ❑ Combined with Empire Online Bill Pay, a Customer has a powerful way to resolve a delinquent SLA status quickly and efficiently.

SLA Default Email Notification Program

- ❑ Customer must complete and sign a enrollment form.
- ❑ Return completed form to the Credit Department via mail or fax.
- ❑ Empire will confirm the Customer's e-mail address by sending an acceptance e-mail to the Customer. ***This initial confirmation e-mail must be responded to within 10 days for the Customer to be activated.***
- ❑ Enrollment forms are available:
 - ✓ On our Website www.empiremerchants.com (under "Customer" tab).
 - ✓ Contact your Sales Representative or Customer Care.

Establishing Customer Credit Terms

- ❑ Customer credit terms are set when a Credit Application is submitted and approved by the Credit Department.
- ❑ New On and Off Premise Customers must fill out an Empire Personal Guaranty in the **exact legal business entity as registered with the NY Department of State** and archived on its website.
- ❑ ***The Personal Guarantor must be named on the NYSLA license.***
 - An Empire Credit Application is required for all new accounts.
 - A credit report will be run on the individual(s) who signs the Personal Guaranty as they are taking responsibility for payment to Empire Merchants. Upon receipt of a signed form that provides approval to Empire Merchants to request a credit report, the credit report will be run.
 - This credit report will help determine credit status.
 - All credit information will be kept strictly confidential.

Establishing Customer Credit Terms (Continued)

- ❑ ***On-Premise Customers only owned by the same individual*** may submit an “Also Owns” form to help establish Open Terms credit.
 - ✓ The “Also Owns” form certifies the Customers are owned by the same individual, and that they are all to be taken into consideration when determining credit status and/or credit limit.
 - ✓ Customers listed on the “Also Owns” form may, from date form is submitted, be considered linked for credit purposes, but obtaining individual Personal Guarantees for each entity is best practice.
- ❑ Personal Guaranty and “Also Owns” forms can be obtained in Credit Department.
- ❑ Personal Guarantees must be filled out completely and accurately, using the ***exact legal entity as registered with the NY Department of State*** - the original document must be signed, notarized and returned to the Credit Department.

Requesting Customer Credit Status Changes

Requesting Credit Status Change to Open Terms

- The Credit Department runs an electronic “sweep” of SLA delinquent licenses on an hourly basis.
- If a Customer is not reported “Delinquent” on the SLA website, has no open CODs outstanding, and is not currently on CHH terms of sale, credit status may be changed back to Open Terms based on Credit Manager review.
- ***Orders placed while the Customer is on COD are not automatically released; they must be manually released.***
- ***For Customers on CHH (Cash in House, Exception) credit status can only be changed by the Credit Management team.***
- ***Ultimately the decision to put an account on Open Terms is determined by the Credit Management team.***

Requesting Customer Credit Status Changes (Continued)

Requesting Credit Status Change to Open Terms

- Even if a Customer does not appear “Delinquent” with SLA, Open Terms credit status is not guaranteed.
- While we recognize the urgency to remove Customers from “Delinquent” status with SLA, Empire requires all contact with NY State Liquor Authority to go through Credit department.
- If a solicitor wishes to check on a default filing, it should be directed through the Credit Department or Customer Care.
- Solicitors should not contact SLA directly.

COD Department - Overview

- ❑ Releasing COD orders
- ❑ Releasing CIH orders
- ❑ Releasing CHH orders
- ❑ Requesting a CIH to COD status change
- ❑ Requesting a CHH status change

COD Department - Releasing CIH Orders

- ❑ Sales Representative must have in hand, a certified check, money order or Empire Merchants deposit slip in the amount of the order.
 - **The COD Department does not accept cash.** Cash payments should be remitted to our bank, JP Morgan/Chase using appropriate deposit slips provided to Sales.
 - **Cash payments are not accepted by any department at Empire Merchants.**
 - Although cash has been deposited into the Empire Merchants bank account, it is not considered paid until the yellow copy of cash deposit & bank receipt is delivered to Credit department.
- ❑ Sales Representative must email/call the COD department with the information to request the order be released.

COD@EMPIREMERCHANTS.COM

Requesting CHH to COD Credit Status Change

- ❑ The decision to change CHH terms to any other terms is determined solely by a Credit Management team.
- ❑ **All open COD/CH orders must be paid in full to be considered for a credit status change.**
- ❑ If a Customer is constantly late paying CODs, bounces too many checks or is otherwise deemed unworthy of COD, the credit status **may remain CHH indefinitely.**

Placing Customers with Outside Collection Agency

- ❑ When all Empire Credit Department internal collection efforts on delinquent balances have been exhausted, it may be necessary to send a Customer to an outside collection agency.
- ❑ Customer receives a “10 Day Final Demand Notice” via US Mail.
- ❑ Sales Representative receives an email notification from the assigned Collection Agent that the demand letter has been sent.
- ❑ Once a Customer is turned over for collection, all correspondence and payments concerning past due amounts should be directed to:
